

I am writing to express my concern over the possible changes to the FM translator service. I currently listen to K-LOVE in my local community and it has served me well in my personal life. I have a lot of friends and family who also listen to this station on a regular basis. If an LPFM broadcaster were to take priority over the current service, our community would suffer from the effects since we would no longer have positive listening enjoyment. K-LOVE is very popular among the public and it would not be in your best interest to discontinue the FM translator service.

Thank you for your time and consideration.

Sincerely,

Tammy Bellinger
